# STEP BY STEP ... THE ADMINISTRATIVE PATH OF THE DOCTORAL STUDENT

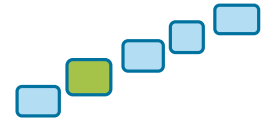

# DOING A PHD

- Reminder: the award of a doctorate certifies the ability to **produce new high-level scientific knowledge** as well as the acquisition and mastery of **blocks of skills** common to all doctors and linked to their training through research.
  
  - **Block 1** Design and development of a research and development, study and prospective approach
  - **Block 2** Implementation of a research and development, study and prospective process
  - **Block 3** Valorisation and transfer of the results of a research and development, study and prospective process
  - **Block 4** Scientific and technological watch on an international scale
  - **Block 5** Training and dissemination of scientific and technical culture
  - **Block 6** Management of teams dedicated to research and development, studies and prospective activities
- 
- Order on Doctoral Qualifications (*Arrêté du 22 février 2019 définissant les compétences des diplômés du doctorat et inscrivant le doctorat au répertoire national de la certification professionnelle*) : <https://www.legifrance.gouv.fr/loda/id/JORFTEXT000038200990/>

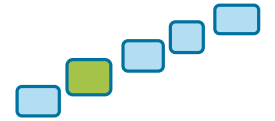

## How can I enhance and develop my skills?

- **Step 1:** make a self-assessment of these skills and define a professional project
- **Step 2:** identify training needs based on this self-assessment and define an individual training plan
- **Step 3:** participate in training to develop your skills
- **Step 4:** complete your research activities (congresses, colloquia, articles, protocols, new techniques ....)
- **Step 5:** enhance your skills through your portfolio, which includes the training courses you have attended and the research activities you have carried out

### portfolio PhD skills

- <https://cjc.jeunes-chercheurs.org/doctorat-a-la-loupe/>
- <https://www.francecompetences.fr/recherche/rncp/31437/>

- ❖ At least 100h of training during the three first PhD years
- ❖ **Freely select training courses according to your background**
- ❖ Mandatory : scientific ethics and research integrity, Open sciences

## Disciplinary/scientific training

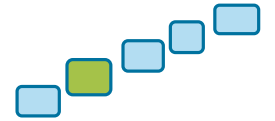

Related with the scientific field of the Doct. School

## Cross-disciplinary training (« Transversal »)

To develop the skills needed for PhD future career (non scientific skills  
ex: language, project management, teaching, congress, summer schools, etc.)

**On Amethis platform (« catalogue training »)** => apply to this training directly on Amethis

**External training (« non-catalogue training »)** : Training courses of external structures can give right to training hours according to the rules of each ED => apply for equivalence on Amethis

The screenshot shows the AMETHIS web application interface. At the top is a dark blue header with the 'AMETHIS' logo and navigation icons. Below the header, the interface is divided into several sections:

- Comptabilisation** (green bar): A table showing 'heures comptabilisées' and 'Autre comptabilisation' with columns for 'Formations', 'Equivalence', and 'Total'.
- Formations** (blue bar): Displays '0' for 'Inscription' and '0' for 'Candidature'.
- Echéances** (light blue bar): Shows '15 jours' and 'Aucune échéance déterminée'.
- Structures** (white bar): Lists 'Nantes Université' and 'Végétal, Animal, Aliment, Mer, Environnement'.
- Situation administrative** (white bar): Shows 'Etat de l'inscription administrative: 2022 : En cours / Paiement effectué' and buttons for 'Consulter ma fiche Doctorant' and 'Consulter mon CSI'.

Annotations with red boxes and arrows point to specific features:

- An arrow points from 'Consulter votre décompte d'heures' to the 'Comptabilisation' section.
- An arrow points from 'J'ai des questions sur l'utilisation Amethis (FAQ)' to the top navigation bar.
- An arrow points from 'Problème technique' to the top navigation bar.
- An arrow points from 'Gérer vos candidatures aux formations' to the 'Candidature' button in the 'Formations' section.
- An arrow points from 'Gérer votre CSI' to the 'Consulter mon CSI' button in the 'Situation administrative' section.

# FOREIGN RESEARCHERS IN NANTES

<http://www.nantes-chercheur.org/en/>

The screenshot shows the homepage of the 'Chercheurs Etrangers à Nantes' website. At the top, there is a navigation bar with a home icon and the text 'Chercheurs Etrangers à Nantes'. To the right, there are language selection buttons for 'Fr' and 'En', a 'Follow us on f' button, and the 'euraxess RESEARCHERS IN MOTION' logo. Below the navigation bar, a welcome message reads: 'Welcome office and information desk for foreign researchers in Nantes' with the phone number 'Tel. 00 33 (0)2 53 46 21 73' and a 'Contact us' button. The main content area features a large image of Nantes with the text: 'You are a researcher? You are arriving in Nantes? We are helping you settling in! Personalised support and services for free!'. To the right of this text is a grid of six service icons: 'Visas Residence permits' (green circle with a plane), 'House for foreign researchers / Accomodation' (yellow circle with a house), 'Health insurance' (orange circle with a medical cross), 'Family issues' (red circle with a family icon), 'French courses' (purple circle with two people), and 'Leisure and cultural activities' (dark red circle with a building). Below the grid is a 'MORE SERVICES' button with a plus sign and a right arrow. At the bottom, a red banner contains an information icon and the text: 'December 2nd at 6pm at MCE: enjoy a yoga class ! Contact us to register !'.
